

## St. Comgall's N.S.

Connors, Clones, Co. Monaghan

*Enjoy a spook-tacular Hallowe'en, with spine-chilling treats that are healthy to eat!*

**Hallowe'en Attendance:** The first termly attendance presentations were made on the day of the holidays. We congratulate our **be-witching and fang-tastic** ghouls and spirits in both classrooms who achieved full attendance since our September return! As can sometimes happen, some pupils felt unwell during *Term One* and took the wise decision to stay at home to rest. However, we know that you'll be back to full attendance during *Term Two* ... Keep up the great effort!

**Happy Hallowe'en High Jinks!** Last Friday we dressed up and enjoyed 'socially distanced' fun and frolics out on the yard with 'Snap Apple'. Congratulations to Noah and Ethan who managed to bite the biggest pieces out of their healthy apples in the senior classroom. However, we also ate and enjoyed lots of Hallowe'en treats too!!

**First Holy Communion 2021** preparations will be coordinated *remotely* by Fr. John McKenna for the foreseeable future. Fr. McKenna has briefly visited the school to speak with teachers, but due to Covid-19 restrictions, will not engage in classroom activities until the present Lockdown has eased. We thank Fr. McKenna for his pastoral guidance and wish Kayla, Ava, Cara, Donnchadh, Daire, Fionnán and Gareth well on their faith journey as they prepare for this sacrament.

**Our Parent Association** held its first remote AGM on Monday, 12<sup>nd</sup> October for the new academic year 2020-2021! Thanks to our Chairperson, Susan McCaffrey, for co-ordinating this meeting. We are grateful that last year's elected members are committed to serving on our P.A. Committee for the coming year.

\* One topic discussed during the meeting was our Christmas play. Unfortunately, current restrictions prevent us from hosting this annual school activity. Nevertheless, we will continue to do little drama classroom activities with the children and next year we'll be back on stage!!

\* We appreciate that restrictions also prevent the P.A. Committee from selling tickets for the Christmas raffle - the possibility of scheduling a fundraising activity later on in the year would be warmly welcomed and facilitated.

**Recycling:** I would like to thank parents for your support with our recycling efforts. We will continue to collect clothes this year but due to Covid-19 restrictions and the requirement to avoid storage of clothes on school premises, we will have to organise future 'drop offs' and collections of clothes on selected dates only.

## *During our first term of 2020-2021 ....*

**Maths Week** Ireland 2020 took place from 10th October – 18th October. On Friday 16<sup>th</sup> our senior classes participated remotely with 100 other schools around the country in the 'Mega Quiz' via Zoom link. It was super fun and an enjoyable way to challenge ourselves, to improve numeracy and to test our mathematical skills. A great learning experience!

**Gaelic Football:** Thanks to Anne McKenna and Monaghan GAA County Board for facilitating another very enjoyable 2020-2021 coaching programme. The focus at all times was on fun, participation and skill development, being mindful at all times of 'social distance' considerations. Hand hygiene and equipment hygiene was strictly adhered to at the end of each session. An important fitness start to the school year!

**From November 9<sup>th</sup> – 15<sup>th</sup> 2020**

**The Shoe Box Appeal** continues to be a worthwhile initiative in our Christmas preparations. This year the new *Team Hope website* [www.teamhope.ie](http://www.teamhope.ie) allows people to build-a-box, personalise it by uploading pictures / images and selecting items to be included in the shoebox donation. Thereafter, items will be purchased in partner countries and delivered straight to the hands of children affected by poverty. We support this initiative and hope you will continue to support it too.

**November 11<sup>th</sup> 2020**
